

The background is a complex abstract composition of overlapping organic and geometric shapes. Dominant colors include a vibrant red, a bright yellow, a deep blue, and a dark charcoal black. There are also lighter tones of grey and teal. The shapes vary in size and orientation, creating a sense of depth and movement. A large, bright yellow circle is prominent on the left side, while a smaller orange circle is in the upper right. The overall effect is a rich, textured, and visually stimulating pattern.

PRIVATE DINING AT

LUCA

BENVENUTO

Luca is situated in the heart of Clerkenwell, just a few minutes' walk from Farringdon Station. The ambience is relaxed, and the design breathes warmth and elegance. We have two beautiful Private Dining Rooms at Luca, The Garden Room and The Pasta Room. These two unique spaces seat between 8-10 people and can accommodate a variety of functions. Each is conveniently located in the heart of the restaurant and both allow for varying degrees of privacy – perfect if you don't want to miss out on the buzz and atmosphere of the main dining room.

PRIVATE DINING ROOMS

THE PASTA ROOM

As the title suggests, The Pasta Room is where our chefs make pasta each day. Designed to look and feel like a traditional Italian home kitchen, the room is available for lunch or dinner bookings and can seat up to 10 people.

THE GARDEN ROOM

Overlooking our open kitchen, The Garden Room is a beautiful indoor space, which retains the stunning exterior features of our Grade II listed building in the style of a southern Italian garden. The Garden Room is available for lunch or dinner bookings and can seat up to 8 people.

BUON APPETITO

Executive chef Robert Chambers has designed our dining menus to reflect the beauty of traditional Italian feasting, with seasonality and regional provenance at the fore. In true Italian style we place some of the dishes in the middle of the table to share, whilst others are plated individually. The wine list is diverse and showcases iconic, as well as smaller producers. Whether it's Franciacorta to begin or Grappa to finish, our sommelier team will be here to help you with your selection. We are very pleased to cater for vegetarians and vegans. Please do let us know in advance of any specific dietary requirements. All of our menus are seasonal, and therefore, subject to change.
